

The Advisor,

Dr Azam Zia , University of Agriculture ,

Faisalabad

Respected sir, I am enrolled in University of Agriculture Faisalabad with registration no **2017-ag-8664**. Due to COVID-19 I was unable to collect internship reference letter from university. Another reason was difficulty in finding an appropriate internship as due to COVID-19 most of companies are working from home so they were not hiring internees. From **May 7**, I'm doing internship in **NEXTBRIDGE(pvt)** , Johar Town, Lahore in **Dot NET MVC**. Please keep this in record or issue a reference letter for me. Internship letter from NEXTBRIDGE will be attached with technical report submitted to Supervisor.
